

HOW THE EMPLOYER BENEFITS:

Healthcare Solutions Centers allow employers to provide convenient, quality healthcare to their employees, while decreasing the employer's overall healthcare cost. Our on-site clinics are staffed by highly trained medical practitioners who will become your company's healthcare advocate. The on-site clinic will be used daily for a variety of situations ranging from health assessments, treating illness and injury to health promotion and disease prevention.

Healthcare Solutions Centers:

Your advocate in the never ending battle against rising healthcare costs.

- Reduce healthcare costs
- Increase employee morale
- Minimize days absent
- Increase employee retention
- Maintain productivity
- Create a customized program

HOW THE EMPLOYEES BENEFIT:

Your employees will love the service!

- Eliminate co-pays & deductibles
- Wipe out time wasted in waiting rooms
- On-site... No drive time to health clinic
- Diagnosis & treatment of conditions: (diabetes, BP, asthma, allergies, etc.)
- Management of chronic conditions
- Smoking cessation & weight loss plans
- First line medication on-site
- Prescriptions written on-site
- Generic drug plans
- All services HIPPA compliant
- Strictly confidential & voluntary
- Quick & easy specialist referrals

OVERALL BENEFITS:

On-site clinics are a win-win for everyone involved.

Imagine the effects of having a healthcare clinic right at your worksite! Think about how much better your employees will feel & perform, knowing that they work for an employer who has provided them with the most options and convenience for their health & wellbeing!

Now, imagine doing all of this while reducing your overall spending on healthcare & related costs...

Healthcare Solutions can make it a reality today!

**Service you can trust
Savings you can count**
