

HEALTHCARE

Q: What are the top reasons my company should have an on-site healthcare clinic?

A: Top reasons are: Measurable cost savings that is customized to your company's needs; Increase in employee health, morale and productivity; Decrease in workers absenteeism; Write prescriptions, order labs and dispense medications on-site; Make specialist referrals quick and easy; Free to visit with no co-pay or deductible and no claims generated; Employees are kept healthy through diagnosis & treatment (i.e., diabetes, heart conditions, acute infections, asthma, etc.); Save employees time, money and gas; Offer free smoking cessation & weight loss plans to ensure success with your goals; and we are strictly confidential, voluntary, and all services are 100% HIPAA compliant.
